

To Infinite and Beyond

Please support your child to choose a minimum of four activities to complete at home over this term. They must include at least one task that is worth 10 points. All children who complete the tasks to a good level and hand them in by Monday 27th November will be awarded the corresponding points for their team. We look forward to celebrating everyone's homework in our next Open afternoon on Monday 27th November.

Have fun!

English

Write a diary entry imagining you have just landed on a new planet in space.

5 points

Art, Design and Technology

Design and make your own astronaut helmet.

10 points.

5 points

History

Create a fact file about a famous astronaut who went into space.

8 points.

RE

Create your own picture to represent the creation story.

5 points.

These tasks are to be completed in addition to **home reading**, Rainbow Maths practice and Mathletics tasks. Please remember to read regularly and ask for extra Rainbow Maths sheets - we have lots ready for you!

Points for the tasks have been calculated in regards to depth and effort needed to complete the task successfully. We recommend choosing a range of activities across the subject range. If you require any equipment/resources to help complete the task please do not hesitate to ask!
