Measles – Public Health England

We have received notification from Public Health England informing that there have been a number of confirmed cases of measles in the Gloucestershire area.

Public Health England (PHE) is asking parents to check that they and their children have received two doses of Measles, Mumps and Rubella (MMR) vaccine and to be aware of the signs and symptoms of measles, following notification of 8 confirmed, 12 probable and 5 possible cases of measles in children and young adults in the Gloucestershire area.

Measles signs and symptoms

The initial symptoms of measles develop around 10 days after a person is infected. These can include:

- cold-like symptoms, such as a runny nose, sneezing, and a cough
- sore, red eyes that may be sensitive to light
- a high temperature (fever), which may reach around 40C (104F)

A few days later, a red-brown blotchy rash will appear. This usually starts on the head or upper neck, before spreading outwards to the rest of the body.

Symptoms usually resolve in about 7 to 10 days.

Parents are also being asked to remain vigilant for signs and symptoms of measles and keep themselves or children away from nursery, school or work if they display symptoms. You should stay off work or school for four days after the typical measles rash has developed.

Measles is a highly infectious viral illness that can be very unpleasant and sometimes lead to serious complications.

Class 4 Assembly

Everyone is welcome to the Class 4 assembly on Wednesday 22nd November at 9.10am. Class 4 will be sharing some of the exciting things they have been learning about over the past few weeks.

Governor News

We are looking for parents or friends who have experience in financial management to support our governing body. For the past 4 years we've been very lucky to have two finance professionals on our team. One left at the end of July and the other, Keren Bass, will be leaving us at the end of March 2018. Keren is an LA appointed governor and we do not yet know if she will be replaced. So we are interested to know if you, or someone you know, might be interested to talk to us about getting involved. Whatever your level of financial experience, we'd love to hear from you if you think you could help. Please contact us via the school office. Thank you to all who fed back to governors at parents evening. It was great to get your ideas and opinions and we'll keep you informed about the library.

We're going on a school trip!

We have a whole school trip planned on Wednesday 29th November to @Bristol. To reduce the cost of the trip, FUS are very kindly subsidising the trip. We will be looking at approximately £10 per child. More information will follow after half term.
