

Science

The environment: How did the dinosaurs die out? Looking at recycling, our impact on our planet and global warming issues. Mrs Millward will be joining us from Rednock School to help us learn about dinosaur skeletons, fossils and teeth types for herbivores and carnivores.

Seasonal changes: Using art skills to draw Mrs Saunders' Cherry Tree. This term children will help build a willow dome and watch its growth before playing within this enchanting structure.

Investigation Skills: Children will continue to develop observation, questioning, & evaluating skills. A whole school Science afternoon will take place on Thursday 8th February.

English

Read it, Speak it, Write it...

Children will continue to receive tailored phonics lessons to meet their individual needs. This will support both their reading, and spelling skills. As well as the opportunity to select individual reading books the children will participate in guided sessions that aim to develop their understanding of different texts. Children will continue to be taught cursive letter formation and will be supported in developing the necessary fine motor skills,

Non-fiction: Dinosaur fact files

Fiction: Innovation of 'Traditional Tales'
The Three Dinosaurs Roar

Poetry: Pattern, Rhyme & Dino-Riddles

World book day: **Thursday 1st March**

+0
3

Mathematics

Learn it, Apply it, Prove it...

Children will continue to study numbers, and the number system. We will be developing our knowledge of language of the four calculation rules as well as mental and written methods

Measurement: lengths, heights & weights of Dinosaurs

Statistics: sorting species types, counting by tally, record in tables, & analyse pictograms

Properties of shape: design 3D Dinosaurs & Dinosaurs tangrams

We will continue to start our day with the 'Rainbow Maths' challenge. This term children have set their own target to work towards.

Social, Moral, Spiritual & Cultural

Worship: We will be exploring the core Christian value of courage through both whole school and class worship. *'Be strong & courageous; do not be frightened or dismayed for the Lord your God is with you' wherever you go, Joshua 1.9*

Mothering Day: At school on **Friday 9th March at 9am** join us for Art and craft activities followed by a short service.

Easter Service: St Giles Church on **Thursday 29th March at 2.00pm**. Please join us to celebrate new life.

British Values: Individual Liberty being the right to have cultural choices at school including *the freedom to join clubs.*

Be the best you can be...

Children will be reflecting on their own hopes and dreams for 2018. We will learn about Olympic values and discuss the personal values we need to develop to succeed.

Do you think he 'saur' us?

*Spring Term
Year 1 & 2
Miss Spain &
Mrs Grace*

Physical Education

Mrs Delrosa teaches PE every Tuesday and this term will focus on creating a Dinosaur Dance.

Cricket: In Spring 2 we have a specialist cricket coach teaching Year 1s and 2s on Thursday afternoons.

Sport relief: Whole school will take part in an event to support this charity.

History & Geography

Investigate Dinosaurs: Find out about the past using a range of artefacts, sources and asking questions. Set up our own museum.

Understand Chronology: Use timelines to sequence historical eras and periods from before the Ice Age

Music

The Dinosaur Stomp: Use percussion Instruments to compose and then transcribe music to represent dinosaur movement.

Music Appreciation: Listen and respond emotionally to *Value Music* for courage. Describe timbre, dynamics & pitch of the composition. Learn about the composer's life & inspiration.

Religious Education

The Gospels: *What was the good news Jesus brought?*

Salvation: *Why do Christians call the day Jesus died 'Good Friday'?*

Design Technology

Dinosaur model: Master practical skills to design, and make a scaled model of a Dinosaur for our museum

Be inspired: Explore pop-up books and moving pictures to design and create own pre-historic scenes.

Art

Drawing: Self-portraits of us on dinosaur or Cave man bodies

Sculpture: creating 3D dinosaurs from shapes & adding texture.
