

# It's a bug's life!

## Years 3 and 4 Homework Map for the Summer Term

Please support your child to choose a minimum of four activities to complete at home over the next few weeks. They must include at least one task that is worth 10 points. All children who complete the tasks to a good level and hand them in by Thursday 21<sup>st</sup> June will be awarded the corresponding points for their team. We look forward to celebrating everyone's homework at our open evening. Have fun!

### Maths

Research 8 amazing bug facts which include numbers. You could look for the longest insect, the fastest flying one or even the strongest!

**5 POINTS**

### History

In the story, the peach travels across land, water and through the air. Choose a mode of transport and then share how it was first discovered using a method of your choice.

**8 POINTS**

### Physical Education

Go for a walk through the woods, across a field or across the common. What minibeasts can you find on your walk? Record your results using a tally or chart of your choice.

**5 POINTS**

### Any subject!

Create your own piece of work relating to our topic 'It's a bug's life'.

**5 POINTS**

### Be the best you can be!

Do five things this term that take you out of your comfort zone.

**5 POINTS**

### Music

The centipede enjoys making up silly songs and rhymes. Create your own funny song which begins with 'I've eaten many strange and scrumptious dishes in my time...'

**5 POINTS**

### Art and Design

Create your own sheet of wrapping paper inspired by the works of Eugène Séguy.

**8 POINTS**

### Geography

Imagine that you awoke and found yourself in the giant peach. Where in the World would you travel to? Create a map to show your route and include the distances travelled.

**8 POINTS**

### Religious Education

Investigate where the local synagogues are in Gloucestershire. Write them down and for an extra 5 points, visit one and have your photograph taken outside it.

**3 POINTS**

### Science

Create a bug hotel for your garden or local park and then enjoy watching who comes to stay!

**8 POINTS**

### Design Technology

There are many tasty dishes that use peaches. Research and choose your favourite recipe and then make it for your family to enjoy.

**10 POINTS**

### Languages

We are going to be learning the names for different fruit in Spanish but can you learn the word for peach in ten other languages?

**3 POINTS**

### English

You are a journalist reporting on the strange discovery of a giant peach in Aunt Sponge and Aunt Spiker's garden. Write a newspaper report announcing the news or film yourself reading it on the TV.

**10 POINTS**

These tasks are to be completed in addition to home reading and Rainbow Maths practice. Please ensure that you read regularly with your child and ask for extra Rainbow Maths sheets – we have lots ready for you! The children will also be completing 'Hit the Button' in class (Year 3 – 3 x table and Year 4 – 9 x table). If you require any equipment/resources to help complete the task please do not hesitate to ask!
