## A People Place

If this is not a place where tears are understood  
Where do I go to cry?

If this is not a place where my spirit can take wing  
Where do I go to fly?

If this is not a place where my questions can be asked  
Where do I go to seek?

If this is not a place where my feelings can be heard  
Where do I go to speak?

If this is not a place where you will accept me as I am  
Where can I go to be?

If this is not a place where I can try to learn and grow  
Where can I just be me?

## Transition and Classes for September 2018

At Uley School we acknowledge that moving to the next class or phase of education is exciting and can sometimes be a little daunting. We always support your child through these changes to ensure a smooth transition and at this time of year we begin the preparation for the next stage in their journey through 'getting to know you' sessions. Staff also have opportunities for 'handing over' information from one class to another.

Due to the small size of our school, all the staff know the children across all of the year groups. In addition, the children are also familiar with the different adults who help and work at Uley as classes, groups and key stages frequently work together on projects such as the performance, or in subject areas such as PE, phonics and spelling.

Below you will see the changes to the school structure for the year ahead. We would also like to support the parents and carers to ensure a smooth transition for all involved and we therefore we invite you join us on **Thursday 12<sup>th</sup> July** to come and meet the class teachers. This is a great opportunity to ask any questions and find out a little bit more about the next academic year.

**Class 3** – please speak to Miss Walker to arrange a time for a meeting between 3.30pm and 5.30pm on the Thursday 12<sup>th</sup> July

Live, Learn and Flourish awards for infants and juniors constitutes a Live, a Learn and a Flourish award for the infants and a Live, a Learn and a Flourish for the juniors - these reflect the school vision:

Live – Learn – Flourish

Live: at home, in school, and in our local community

Learn: about self, others, and our ever-changing world

Flourish: be the best we can be in all that we do

Plus, our Live, Learn, Flourish tree incorporates 11 symbols:

The dove represents church and community

The light bulb represents ideas and imagination

The treble clef represents music and dance

The football represents sport and fair play

The star represents reward and recognition

The number '3' represents maths, science and analysis

The mask represents drama and self-expression

The globe represents awareness of our place in the world, geographically and socially

The speech bubble represents debate and openness

The butterfly represents freedom and fun

The book represents love of the written word

Don't forget that we are all happy to talk should you:
