

Please support your child to choose a minimum of **four** activities to complete at home over this term. Once all homework has been received, the children’s work will be celebrated and shared amongst the class and individual team points will be collected and awarded. Please note, at least 90% of the ideas below came from the children! We recommend choosing a range of activities across the subject range. If you require any equipment/resources to help complete the tasks please do not hesitate to ask!
