

ULEY C OF E PRIMARY SCHOOL

CHARGING POLICY

We believe that everyone should be given the opportunity and encouragement to be the best that they can be. To this end, we strive to create the right environment, deliver the right content, and embrace new ideas. We apply our school values of trust, friendship, compassion and wisdom to enable every individual to flourish within a moral framework built on Christian values. We believe that this can only be achieved by developing partnerships between pupils, staff, governors, parents and the wider community.

INTRODUCTION

All education during school hours is free, with the exception of some individual or small-group music tuition. A request for a voluntary contribution is made for transport and admission costs for swimming lessons or for visits to museums, etc. during school hours.

VOLUNTARY CONTRIBUTIONS

When organising school trips or visits to enrich the curriculum and the educational experience of the children, the school invites parents to contribute to the cost. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution. We do not treat these children differently from any others

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.

The following is a list of additional activities, organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- visits to museums;
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to or by a theatre company;
- school trips abroad;
- musical events.

RESIDENTIAL VISITS

If the school organises a residential visit in school time, or mainly in school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education. However, we do make a charge to cover the costs of board and lodging. Parents who receive state benefits may be exempt from payment. Schools are permitted to charge for the cost of board and lodging during residential school trips. This cost must not exceed the actual cost of the provision. Where the trip takes place wholly, or mainly, during school hours children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of these charges:

Income Support;

Income-based Jobseeker's Allowance;

Support under part VI of the Immigration and Asylum Act 1999;

Child Tax Credit provided the parent is not entitled to Working Tax Credit and their annual income does not exceed £14,495;

Guaranteed State Pension Credit

If parents are experiencing financial difficulties they are invited to write in confidence to the Head Teacher.

MUSIC TUITION

All children study music as part of the normal school curriculum. We do not charge for this.

There is a charge for individual or small-group music tuition, since this is an additional curriculum activity, and not part of the National Curriculum. These individual or small-group lessons are taught by peripatetic music teachers. There is a charge for these lessons. We give parents information about additional music tuition at the start of each academic year.

SWIMMING

The school organises swimming lessons for all children. These take place in school time and are part of the National Curriculum. We ask for voluntary contributions to support the school's costs. We inform parents when these lessons are to take place.

AFTER SCHOOL ACTIVITIES

The school offers additional after school activities. These are sometimes run by qualified third party providers and a charge is made. We may also ask for voluntary contributions towards costs of materials or ingredients at school run clubs.

PHOTOCOPYING OF DOCUMENTS AND HANDLING CHARGES

The school reserves the right to charge

DAMAGE/LOSS TO PROPERTY

In cases of wilful or malicious damage to equipment or breakages, or loss of school books on loan to children, the Headteacher in consultation with the Governing Body may decide to make a charge. Each incident will be dealt with on its own merit and at their discretion.

LETTINGS

The school may make use of its facilities to outside users at a charge of at least the cost of providing the facilities. The scale of charges is determined annually by the Finance Committee and form part of our separate Lettings policy

BEFORE AND AFTER SCHOOL PROVISION

The school charges for before and after school provision. This covers cost of food, materials and staffing.

MONITORING AND REVIEW

This policy is monitored by the governing body, and will be reviewed every year or earlier if necessary.
