

ULEY C OF E PRIMARY SCHOOL

PE FUNDING 2015-2016

PE and Sports Premium 2015-2016

School Sports Premium

The government currently provides additional ring-fenced funding specifically for primary schools to use in order to improve provision of Physical Education (PE) and sport.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

Uley Primary School Sports' Vision

Physical Education at Uley C. of E. Primary School provides pupils with the skills, knowledge and understanding of various aspects of health, exercise, sport and well-being to enable them to live a healthy life and enjoy physical exercise and sport.

Through Sport and PE we aim to:

- Help children to be physically fit and mentally alert in order to learn well
- Increase the children's confidence and competence in a range of physical activities
- Enable them to understand the value of exercise as part of a healthy lifestyle
- To encourage positive attitudes such as sportsmanship, teamwork and fair play
- To develop self-esteem and confidence
- Give the children opportunities to take part in extra-curricular PE activities

2015-2016 Allocation £8451
