

Creative Writing

You've been hired to design a playground! What would you include in your imaginary playground? You could have waterfalls, slides, sprinklers, trampolines, giant rope swings... the possibilities are endless. Write a short piece to describe your choices and why you chose them.

Reading

Read your reading book or others that you own or have access to.

Ask an adult to read you their favourite childhood story such as 'Wind and the Willows'.

Phonics/Spelling

Practice your phonics with a game of Buried Treasure. This can be played online at www.phonicsplay.co.uk or why not draw your own rubbish bin and treasure chest and write your real and silly coins to sort!

Handwriting

Please focus this week on perfecting your ladder letters – l, i, t, u, j, y and their Capital letters too – L, I, T, U, J, Y

You can write them in different colours, write them large or small, use a paintbrush and water and write them outside, even write them in flour!

Science

Living things and their habitats

Play a sorting game using pictures or items from your home or garden. Can you find items that are living, dead or never alive?

Picture cards attached to support – twinkl.

Week commencing 20th April 2020

'The World's a Stage'

Art/DT

Use an empty cereal box and create your own puppet theatre.

You could even create your own characters!

RE and Values

'Service' school value - Please see attached.

Useful websites

www.ictgames.co.uk

www.mathletics.co.uk

www.learnenglishkids.britishcouncil.org

History/Geography

Research another country of your choice in Europe.

Study world maps and aerial photos to identify its geographical features both man-made and natural.

You could make a top-trumps card with your findings!

Maths

3

Daily Mathletics
Daily Rainbow Maths

Multiplication and Division – Count in 10s.

Reception – group your toys into groups of 10. Can you count to 50 in 10s?

Year 1's – Please see attached worksheets – classroom secrets.

PSHE

Life-stages – Plants, animals, humans

Watch a video of a life-cycle.

<https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/zttckqt>

Can you think of another animal or plant and draw their life-cycle? Label your life-cycle.

Computing/E-safety

Check out the adventures of the Smart Crew on how to stay safe online – what should you accept?

<https://www.childnet.com/resources/the-adventures-of-kara-winston-and-the-smart-crew/chapter1>

Being physical

real PE at home includes an online programme which supports families to be active, play and learn together. Why not try one of their activities together as a family?
