PUPILS ABSCONDING SCHOOL POLICY AND PROCEDURES

They are like trees that grow beside a stream that bear fruit at the right time and whose leaves do not dry up. They succeed in all they do. Psalm 1:3

Ethos Statement

We believe that everyone should be given the opportunity and encouragement to be the best that they can be. To this end, we strive to create the right environment, deliver the right content, and embrace new ideas. We apply our school values of trust, friendship, compassion and wisdom to enable every individual to flourish within a moral framework built on Christian values. We believe that this can only be achieved by developing partnerships between pupils, staff, governors, parents and the wider community.

OUR SCHOOL VISION

Live – Learn – Flourish

-  Live: at home, in school, and in our local community
-  Learn: about self, others, and our ever-changing world
-  Flourish: be the best we can be in all that we do

OUR SCHOOL MISSION

-  We give all – pupils and staff – the opportunities and encouragement to be the best that they can be
-  We create an environment that has the right balance of challenge and support
-  We deliver a curriculum that is right for our school, inspiring and motivating all, and embracing new ideas
-  We apply our School Core Values of Trust, Friendship, Compassion and Wisdom in all that we do
-  We develop strong and effective partnerships between pupils, staff, governors, parents and the wider community
-  We strive to ensure that all flourish within a moral framework built on Christian values and the Diocesan vision “I have come that they may have LIFE, and have it to the full”. (John 10:10)

Absconding Policy and Procedures

The purpose of this policy is to set out clearly for all stakeholders, the process that will take place should a child abscond from school.

We actively work to provide a secure, safe environment, a school where children want to come to enjoy learning with others as part of a caring community. We recognise that it is highly unlikely that a child will try to abscond from our school but this policy is written to ensure we are ready to deal with this eventuality should it occur. It is our goal to work positively with children and families in order to prevent children leaving school without permission and work together to support and implement strategies.

To abscond is to 'leave without permission'.

Under Section 3 of the Health and Safety at Work Act, 1974 and in Common Law, schools and other education settings owe a duty of care towards their pupils. This duty of care requires that all reasonable steps are taken to ensure that pupils are safe and remain within the care of the school at all times throughout the school day and during school led activities.

Roles and Responsibilities

The Head Teacher and the Deputy Head Teacher are responsible for all decisions made when a child absconds from school.

The class teacher and the teaching assistant are responsible for caring for the child (until the child leaves the premises). They will be responsible for seeking additional help if this is felt to be necessary.

Parents / carers of pupils are responsible for supporting the work of the school. They are responsible for encouraging their children to keep to all school procedures and policies.

Once school has informed the parents that their child has absconded, parents and carers are responsible for actively supporting the school with the subsequent procedures and actions. This could include coming to school to help secure the safety of the child after he / she has absconded as well as meeting with the Head Teacher in order to agree subsequent actions and strategies.

Procedures

Where a pupil, present at formal registration, is found to be absent from school without authorisation the following procedures should be followed:

Member of staff to inform Head Teacher or Deputy Head Teacher, and main office. Office staff to switch on CCTV.

Head Teacher or Deputy Head Teacher organises search of buildings and known places that the pupil may have gone to.

If the pupil is not found then all available staff to complete a more thorough sweep of the school and check the perimeter of the grounds. Staff are saying the pupils name and encouraging them to return or if not parents and the police will have to be called.

School office to phone the police when area has been fully checked if the child is not found.

School office to contact parents/carers and inform them of the situation.

Consideration will be given to whether the search should be extended beyond the school perimeter. This decision will be based on staff's knowledge of the child and on the levels of risk, and on what action is in the child's best interests.

Any staff who leave school grounds to take mobile phone to contact school.

Once a pupil has been found then the member of staff will use their professional judgement to outline the response towards the pupil and the support the pupil will need in the future.

A written report will be filed on the incident.

Member of staff to brief police and parents.

Where a pupil attempts or is seen to be leaving the school premises without authorisation the following procedures should be followed:

Staff must follow the pupil to the perimeter fence or gate and must try to persuade the pupil to stay in the school.

If a pupil is deemed to be a high risk to himself or other people then staff should adhere to the Behaviour Policy with reference to use of reasonable force, if appropriate.

At all times staff must be aware that active pursuit may encourage the pupil to leave the immediate vicinity of the school and may also cause the pupil to panic, possibly putting him or herself at risk by running onto a busy road, for example.

If the pupil has left the immediate vicinity of the school, the school office, Head Teacher or a senior person must be contacted immediately and will direct the course of action.

Staff will follow the pupil and engage in a local search, following the pupil at a safe distance if in view.

Additional staff may be requested to join the search in a vehicle, taking a mobile phone to contact school.

The Head Teacher or senior person will contact the pupil's parents/carers.

If the searching staff lose sight of the pupil they must contact the school office giving details of their location and the clothes which the pupil is wearing.

If the pupil has left the immediate vicinity of the school grounds and is no longer visible then the SLT will make a decision as to how to take matters further which will take into account the age of the pupil, the prevailing weather conditions, the nature of the incident which led to the pupil absconding, the pupil's previous history of being involved in episodes of absconding and their outcomes. If the pupil returns of their own volition, parents/carers and the police will be informed as soon as possible.

Upon his or her return to school, and when the pupil is calm, the pupil must be seen by a trusted member of staff so that the reasons for absconding may be discussed in detail. At this point a decision will be made as to the appropriateness of further actions.

A written report will be filed on the incident.

This policy is reviewed biennially
