

Expressive Arts and Design

Can you use a range of recycled junk and turn it into a new invention? You may wish to draw a design of your invention first.

Personal, Social and Emotional Development

Caring for the world around us

Go for a walk around your local area, can you spot anything that might need caring for? This could be rubbish, graffiti, wildlife, play areas etc. Think about some of the things we can do to help - recycling, wildlife areas, picking up after our dogs... make a list.

Watch the story 'A Whale's Tale' www.cbc.ca/kidsCBC2/watch/hope-works/a-whales-tale

Physical Development

BBC Super mood movers - an action song about taking care of the world around us.
www.bbc.co.uk/teach/supermovers/pshe-super-mood-movers-taking-care-of-the-world/zyxc3j6

Handwriting practice - Practice forming your numbers 0-9 correctly. A template sheet is provided.

Literacy

Phonics - <https://lettersandsounds.org.uk/for-home/reception> Please follow the phonic sessions via the link above: lessons for Feb 22nd, 23rd, 24th, 25th and 26th - read longer words.

Reading - Read a story on Oxford Owl or share a story together as a family.

Writing - Write your half-term news for Mrs Delrosa, don't forget your finger spaces and full stops. Can you remember any of your tricky words to include?

In the story 'A Whale's Tale' www.cbc.ca/kidsCBC2/watch/hope-works/a-whales-tale, the child on the beach makes a poster to encourage others to put their rubbish in the bin and to recycle. Can you create a poster to encourage others to do this too?

Practice writing the following tricky words: my, are, was, you and they. You could write them in bubble writing, in rainbow colours, in CAPITAL letters... how many different ways can you find to write them?

Stepping Out...

Week 6 - 22nd - 26th February

Spring 2021

Communication and Language

RE - Lent

Look at the PowerPoint 'All about Lent'. Discuss why Christians celebrate Lent and what it is preparing them for. Follow this up, by making your own 'Acts of Kindness' jar for Lent - instructions are attached.

Maths

Please watch the video session and complete the adjoining activity sheet on the link below. You can choose to print the sheet to complete or just write the answers.

Growing 6, 7, 8 - Week 3 - Sessions 1-5 (1 per day)

[Growing 6, 7, 8! - Week 3 | White Rose Maths](#)

Understanding the World

Recycling

Watch www.bbc.co.uk/iplayer/episode/b07tzrt5/maddies-do-you-know-series-1-4-bin-lorry-and-newspaper. Maddie learns how a bin lorry works and how old paper is recycled into new newspapers.

Set up your own recycling stations at home or if you have some already, why not try sorting some of the recycling into the different categories? Make sure any recycling is clean and has no sharp edges before sorting - get a grown up to help you.

Sing along with the recycling song: www.bbc.co.uk/cbeebies/watch/cbeebies-recycle-song
